

**Department of Geosciences
PRINCETON UNIVERSITY**

The Department of Geosciences at Princeton University is seeking applications for a tenured faculty position in **solid-earth geophysics**. We are particularly interested in individuals who could interact productively with current members of the department, in areas including but not limited to seismology, geodynamics, and mineral physics. More information can be found on our department website at <http://geoweb.princeton.edu> .

Applicants should send a curriculum vitae, including a publication list, a statement of research and teaching interests, and contact information for three references to: Allan Rubin, Search Committee Chair, Department of Geosciences, Guyot Hall, Princeton University, Princeton, NJ 08544. The starting date is flexible. Evaluation of applications will begin immediately; interviews of candidates will begin in the Fall of 2007 and will continue until the position is filled.

Princeton University is an equal opportunity employer and complies with applicable EEO and affirmative action regulations. For general information about applying to Princeton and how to self-identify, please link to <http://web.princeton.edu/sites/dof/ApplicantsInfo.htm> .
